

## eeBrakes EI TD

With a mix of turquoise, pink, purple and silver, the eeBrakes EI TD are a perfect complement to a set of eeWings Tie Dye cranks or stand alone to add a pop of color to your bike. With the same ultra-light weight and superior stopping power of the standard eeBrakes, the eeBrakes EI TD bring both style and performance to your ride. Get them while you can. eeBrakes EI TD are only available for order from November 9 through November 21.
